# Fantastic 5<sup>th</sup> Constitution

We the students of the Fantastic 5<sup>th</sup>, in order to form a more perfect classroom, promise to:

- **Treat all property with respect.** We will take care of school property and the personal property of others. We will always ask permission to borrow someone else's things. We will keep a clean personal space and a clean and organized learning space.
- **Respect and value the rights, words, thoughts, and feelings of others.** We will work without disruption, we will show kindness towards one another, cooperate to help others learn, and use appropriate language. We will listen and be accepting of others' ideas, even if we don't agree. We will be patient with each other. We will follow the Golden Rule: Do to others as you want done to you.
- **Act in a safe and healthy way.** We will follow the rules for the playground, lunchroom, bus, and classroom. We will keep our hands and feet to ourselves. We will let Ms. Bondi know when we are going out of the classroom. We will walk in the hallways, sit in our chairs the correct way, and always cover our coughs!
- **Take responsibility for our learning.** We will strive for excellence, but understand that it's okay to make mistakes. We will be honest with ourselves and with each other. We will come to school prepared to work hard and do our personal best. We will be good listeners, and raise our hands when we want to speak. We will turn our assignments in on-time, keep track of our materials, and set a good example for our peers and the younger students at Stafford.

We pledge to do whatever we can to make our year in fifth grade a success and will always try our hardest to be the best we can possibly be!

Signed,

The Fantastic 5<sup>th</sup>
