

Mrs. Brester's Class 01-06-12

Curriculum and Classroom Updates

Reading

This week we learned about Newbery Award books. Next week, the students will start a Newbery Award book during literature circles.

Math

This week we continued our work with multiplication. On most days the kids will be tested on their current level of multiplication. The first round of testing kids are given 6 minutes to complete their tests and then once they have completed each test in 6 minutes with a score of 98% or better, they move on to doing each test in 3 minutes. Kids should

be practicing their multiplication facts at home. Today, I sent home a game using array cards that can be played at home to help with this process.

Writing

This week we wrote a letter to our pen pals. The kids love getting these letters and are really working on their proper letter writing skills.

Oregon Geogrpahy

Next week we will begin a new unit of study on Oregon geography.

Classroom Volunteering

We are excited to have our classroom volunteers back next week!!!!

Quick Notes:

I hope that everyone has a wonderful weekend. Please do not hesitate to contact me if you have any questions or concerns.
